RE: ML 27110 & ML 27206 -- Clay

Dear Mr. Fullmer,

After my letter to you, yesterday, the Division of Oil, Gas & Mining advised me that you will be filing a reclamation bond with that agency. I do not intend to require duplicate bonding and you may therefore disregard my request that you submit a bond to the Trust Lands Administration at this time. However, the Trust Lands Administration reserves the right to require additional bonding if determined necessary to protect the assets of the trust.

Please contact me if you have any questions in this matter.

Sincerely,

John T. Blake  
Mineral Resources Specialist
